Why register?

For over 40 years Rob Knights & Co has been recognised as the leading provider of charge rate, salary and general practice performance benchmarks in Australia. We pride ourselves on our immaculate and confidential data gathering, collating and analysis. The data firms provide allows us to deliver a breadth and depth of invaluable data to enable you to stay ahead of your competitors and run a successful and profitable practice.

Firms who participate in the survey receive a free copy of our General Benchmarking Report and the opportunity to purchase a personalised Practice Performance Analysis. However, for firms not wishing to provide data, some sections of the reports can be purchased at a non-participatory rate.

The Survey

The report, and its data, are designed to ensure firms have accurate information about current market conditions when reviewing rates and salaries. It is also the only report of its type to offer future, as well as current, rate and salary values for the broadest range of practice personnel.

Key benefits:

- Ideal for obtaining the latest results and values based on data reported by firms rather than recruitment agencies
- Data applicable for Second Tier to small sole practitioner firms
- Results illustrated by location, revenue and partner number sub categories
- Commentary on current market trends and occurrences
- Receive other valuable KPIs pertinent to reviewing practice performance
- Participants receive a **FREE** report illustrating and comparing their results against peer firms

There are three sections of the report which can be purchased either individually or together, with a fourth option for participating firms:

1 SUMMARY REPORT – General Benchmarking Report

Summation of current market performance across common benchmarks measured within the accounting profession.

2 PART A – Current & Proposed Charge Rates & Salaries

The latest market trends in support of your Christmas and New Year reviews.

Highlights:

- Divided into current and proposed values
- Results can be provided based on absolute high/low or standard deviation values
- The most extensive professional and administrative staff categories in addition to financial planning, audit and insolvency personnel
- Data presented in the sub-categories of state/region, gross fee size and number of partners
- The **ONLY** report of its type to include **FUTURE** values.

In addition, this section includes an abbreviated profit/performance overview providing firms with a synopsis of their current results compared to peer firms. This overview is based on gross fees and location.

3 PART B – KPIs plus Productivity & Profitability

Includes extended market commentary and comparisons enabling firms to drill down on major overheads plus provides more comprehensive productivity and profitability data.

Highlights:

- KPIs for 19 major expenses after salaries
- Earn rate and recovery rate comparisons
- Notional practice efficiencies
- Average per person personnel costs and profit
- WIP and debtor comparisons
- Minimum and typical fees for common services including BAS and “I” returns

4 OPTIONAL EXTRA – Practice Performance Analysis (for participating firms only)

A personalised health check of your firm. This report is prepared by our experts offering tailored, specific commentary and advice to your firm regarding:

- Its current performance
- Drivers of these results
- How your firm’s results compare to its peers
- Suggested approaches to boost or maintain these current outcomes while highlighting focal points

This report is compiled based on standard survey data collection.

Note: due to the complexity of these reports, they are not despatched with the survey results, but are distributed following the standard report despatch.
